

Communication & Language (C&L)

- We will explore using language to imagine and recreate roles throughout play.
- We will begin to retell stories using props and puppets.
- We will share our ideas in larger groups.

Literacy (L)

- We will continue to read books independently.
- We continue to learn new sounds and the letters that represent them.
- We will learn about the difference between fiction and non-fiction
- We will be encouraged to think of our own sentences and write them independently.
- We will try and use full stops and capital letters.
- We will read a weekly class story that links with our learning.

Mathematics (M)

- We will add two numbers together and use a number line for support.
- We will begin to think about subtraction (take-away) and counting back on a number line.
- We will explore what 'double' and 'half' means.
- We will look at money and recognising different coins.
- We will build fairy-tale castles from 3D shapes and talk about how they look.

Personal, Social and Emotional Development (PSED)

- We will talk about how we solve problems with our friends.
- We will be encouraged to continue to make our own choices.
- We will play games in the outdoor area and share equipment.
- We will be encouraged to work together and follow simple instructions.

Reception: Summer 1 Giants and Fairies

Physical development (PD)

- We will continue to practice the formation of our letters and numbers.
- We will practice large movements in the outdoor area. E.g. walking on giant's feet.
- We will build a den for the Gruffalo and giants to live in.

Understanding of the World (UW)

- We will plant grass seeds to watch them grow.
- We will talk about what living things need to survive.
- We will talk about changes that occur at this time of year.
- We will talk about real and fantasy settings.

Expressive Arts and Design (EAD)

- We will create our own magic potions and be asked to talk about how we would use them.
- We will make our own giants and fairies from a variety of textures and materials.
- We will design and make our own fairy gardens using resources that we have chosen independently.
