Healthy Sports Week

Wow! What an amazing healthy sports week we have had! All children have loved joining in the workshops and have found some new loves for sports they hadn't explored before. We've had a go at wheelchair basketball, tag rugby, tri golf, dance and many more. We also loved our visit from Katie Stainton, who's number 2 in the country for heptathlon. All the children have had a go at trying different fruits and learned how to keep our bodies and minds safe. Well done Kingsfield you should be proud!

Thank you to all the parents for your sponsorship for Katie we raised over £1000. A percentage of this will go towards sports resources for our school so a big thank you for all your hard work!

Well done to those who have tried to start and end your days activity by walking to school, we've noticed a big decrease in congestion around the school so thank you.
