WAGOLL (What a good one looks like!)

SPACE

Stars brightly shooting into the black darkness.

Planets big and cold spinning quickly.

Astronauts capturing yellow, angry aliens noisily.

Comets zooming and bursting into outer space.

Earth spinning slowly, around the gigantic, boiling sun.

The Naughty Bus

10 There was once a very naughty bus. None of the
19 bus drivers wanted to drive him, because they all
25 knew how cheeky he could be.

35 When the naughty bus saw a big puddle he would
43 deliberately drive through it to soak everyone on
53 the street! When the bus got to a roundabout he
63 would drive straight over it to ruin all the lovely
72 plants! When people were waiting at the bus stop,
80 he would drive straight past them, even when
89 he had plenty of room! What a mischievous bus
91 he was!

99 Everyone agreed that something had to be done
103 about the naughty bus,
105 but what?

Quick Questions
