School Covid Update

In the event of any kind of school lock down, we are, behind the scenes preparing for remote learning. As part of this, you will have received a letter with details how to activate your child's email using the sticker in the back of your child's Home-School Links book. Please help us by replying to your teacher's email via your child's new email by Sunday 18th October, so we know these procedure has been successful for you.

Also, can I mention that if it is that a sibling from another school have been sent home to isolate, they must not arrive on the playground to drop off or pick up. Thank you for your full co-operation.

World Maths Day - FRIDAY 16th OCTOBER

Next week it is World Maths Day and to celebrate our amazing maths learning, we would like Nursery, Reception and Year 1 pupils to come dressed in or as a number or a shape, and in lessons we will be exploring some creative maths.

Year 2, 3 and 4 pupils are to come dressed as rock stars to celebrate TT-Rockstars and explore our multiplication knowledge.

We can't wait to see your outfits!

School Council

This week the School council had their first socially distanced meeting in the hall.

We introduced each other and discussed what our role as a school council is and the importance of it.

We shared our new school council communication book and agreed our first discussion point which is 'What changes do children of Kingsfield want to see this year?'

Harvest

Linking with World Food Day, next week our assembly theme is **sharing** and as part of this we will be celebrating harvest with the sharing of food produce. We will be enjoying the remote Open Book Assembly from St Lawrence's church and learning all about Food Banks. If families would like to make a harvest offer,

Sainsbury's would gratefully receive all donations to their food bank which is distributed in Stoke on Trent for those

Flu Vaccinations

This year's flu vaccinations will be taking place on Thursday 5th November.

Vaccinations are available to all children from Reception through to Year 4 and further information will be following on how you will provide consent for your child.

This will be done as an email link rather than the usual paper form.

Well done to everybody for getting off to a good start with their homework.

Homework is issued every Thursday to be returned the following Tuesday, keep up the good work!

Eco-Warriors

We are very proud to announce our Eco-Warriors representative who have their first meeting next week.
