

# Kingsfield First School Homework Menu

Year Group:

3

Topic:

Ratatouille

Term:

Spring 2

## Set Menu: Timetables, spellings, daily reading, phonics practice

We will be looking for children to be reading at home with their parents. Listening to children read will enable them to grow in confidence as they become fluent readers. Once children are able to read fluently, and with expression, we would encourage you to hold discussions around their comprehension of the texts (we will provide a bank of ideas to support this). If your child is reluctant to read, they could listen to audio books. We want them to foster a love of books, so please don't underestimate the value of reading to your child.

We are all very grateful for your support.

## Added Extras:

We will encourage your child to complete as many of the activities from the menu as they like at home, but NO LESS than 3 over the half term. This can be recorded (if appropriate) in our homework books. We will ask for homework books in during the last week of each half term in order for us to share and celebrate this learning.

Read it	Research it	Design it															
<p>How many different adverts can you find and read? There are lots to be found in newspapers and magazines. You can also look at leaflets - they are adverts too! Stick some of them in your homework book for us to look at. Do they make you want to buy that product or visit that place?</p> 	<p>Research a French landmark. The one you choose can be located anywhere in France. What does it look like? Where is it? Who designed it? When was it created? You can present this information in which ever way you wish, a poster, a power point, a leaflet, a letter to someone - the choice is yours!</p> 	<p>Imagine you are in a French restaurant. Can you create a menu full of French foods? Maybe you will have snails for a starter! Remember to decorate your menu to make it look appealing.</p> 															
Practise it	Write it	Make it															
<p>During the half term, we will be learning how to collect and present data. Can you think of a question and 4 answers, then ask your family and friends? Collect your data in a tally chart.</p> <p>What is the most popular Marvel film?</p> <table border="1"> <thead> <tr> <th>Film</th><th>Frequency/Tally</th><th>Total</th></tr> </thead> <tbody> <tr> <td>Iron Man</td><td>     I</td><td>6</td></tr> <tr> <td>Spiderman</td><td>I</td><td>1</td></tr> <tr> <td>Dr Strange</td><td>  </td><td>2</td></tr> <tr> <td>Thor</td><td>     II</td><td>7</td></tr> </tbody> </table>	Film	Frequency/Tally	Total	Iron Man	I	6	Spiderman	I	1	Dr Strange		2	Thor	II	7	<p>Can you write a poem or a rap about France? You might wish to write it about Paris, landmarks, cities or French cuisine. If it is a rap it will need to rhyme but if you write a poem it doesn't have to.</p> 	<p>Your challenge is to make something related to the human body. This might be a skeleton, an organ, a bone or a part of the body. The choice is entirely yours! We can't wait to see what you create!</p> 
Film	Frequency/Tally	Total															
Iron Man	I	6															
Spiderman	I	1															
Dr Strange		2															
Thor	II	7
