

Year Group: 3

Topic: Stone Age

Term:

Autumn 1

Set Menu: Timetables, spellings, daily reading, phonics practice

We will be looking for children to be reading at home with their parents. Listening to children read will enable them to grow in confidence as they become fluent readers. Once children are able to read fluently, and with expression, we would encourage you to hold discussions around their comprehension of the texts (we will provide a bank of ideas to support this). If your child is reluctant to read, they could listen to audio books. We want them to foster a love of books, so please don't underestimate the value of reading to your child. We are all very grateful for your support.

Added Extras:

We will encourage your child to complete as many of the activities from the menu as they like at home, but NO LESS than 3 over the half term, This can be recorded (if appropriate) in our homework books. We will ask for homework books in during the last week of each half term in order for us to share and celebrate this learning.

Read it	Research it	Design it						
<p>Find and read a diary entry. This could be a book, an entry online, a family member's diary (only with permission) or even your own. As you read, think about the features of a diary entry and what makes this a good diary entry. Note these ideas in your homework book.</p> 	<p>Research one of the following Stone Age settlements. Use books, leaflets, the internet, knowledge from other people or maybe even visit one! Present this in a style of your choice. ie a PowerPoint, written report, poster, bullet points.</p> <ul style="list-style-type: none"> • Stonehenge • Devil's Arrow • The Rollright Stones 	<p>Design a menu for a Stone Age person. Consider what foods they would have eaten and how they would gather this. You can present this however you like. For example in style of a restaurant menu or by drawing the plate.</p> 						
Practise it	Write it	Make it						
<p>Choose a three-digit number (or more than one). How many ways can you partition this number? You can show this in the way you prefer.</p> <p style="text-align: center;">263</p> <p style="text-align: center;">100+100+40+20+3=</p> <table border="1" style="width: 100%; text-align: center;"> <tr> <td style="width: 33%;">H</td> <td style="width: 33%;">T</td> <td style="width: 33%;">O</td> </tr> <tr> <td></td> <td></td> <td></td> </tr> </table>	H	T	O				<p>Write a diary entry based on something you do during this half term. It might be about a day out you have, a birthday, a special event – anything you like!</p> 	<p>Make a model of a Stone Age settlement or site. Choose which one you will base your model on and get creative!</p> 
H	T	O
