

Kingsfield First School Homework Menu

Year Group: 4

Topic: A Magical Place/Electricity

Term: Autumn 2

Set Menu: Timetables, spellings, daily reading, phonics practice

We will be looking for children to be reading at home with their parents. Listening to children read will enable them to grow in confidence as they become fluent readers. Once children are able to read fluently, and with expression, hold discussions around their comprehension of the texts, (we will provide a bank of ideas to support this). If your child is reluctant to read, they could listen to audio books. We want them to foster a love of books, so please don't underestimate the value of reading to your child.

We are all very grateful for your support.

Added Extras:

We will encourage your child to complete as many of the activities from the menu as they like at home, but NO LESS than 3 over the half term, This can be recorded (if appropriate) in our homework books. We will ask for homework books in during the last week of each half term in order for us to share and celebrate this

Read it	Research it	Design and Make it
<p>Read non-fiction material on the following sources of energy</p> <ul style="list-style-type: none"> • Tidal power • Solar power • Wind energy <p>Write as many examples of this energy as you can. For example: Wind energy - wind turbines</p>	<p>Research the definitions of 'insulators' and 'conductors'</p> <p>Write 5 examples of different materials that are insulators and 5 examples of different materials that are conductors.</p> <p>Can you find any materials that are conductors or insulators in your home?</p>	<p>Draw or create your own electrical circuit. It must include at least one bulb, a battery and a switch. Make sure it is all connected with wires!</p> <p>Feeling adventurous? You could also include a motor, a buzzer or any other circuit components!</p>
Practise it	Write it	E-Learn it

Year Group: 4

Kingsfield First School Homework Menu

Topic: A Magical Place/Electricity

Term: Autumn 2

Practise using the grid method to multiply 3×1 digit numbers.

Feeling brave? Why not multiply 2 digit numbers X 2 digit numbers?

Imagine you have a magical wardrobe, like Lucy from The Lion, The Witch and the Wardrobe.
Describe the place you would like your magical wardrobe to take you.
Use all of your senses and think about similes and different sentence types.

This half term, we are focussing on multiplication, therefore please log onto TT Rockstars to practise your times tables.

Why not challenge your friend to a battle?
