

Homework Menu
Year Group: 4

Kingsfield First School

Topic: Rotten Romans

Term: Spring 1

Set Menu: Timetables, spellings, daily reading, phonics practice

We will be looking for children to be reading at home with their parents. Listening to children read will enable them to grow in confidence as they become fluent readers. Once children are able to read fluently, and with expression, hold discussions around their comprehension of the texts, (we will provide a bank of ideas to support this). If your child is reluctant to read, they could listen to audio books. We want them to foster a love of books, so please don't underestimate the value of reading to your child. We are all very grateful for your support.

Added Extras:

We will encourage your child to complete as many of the activities from the menu as they like at home, but NO LESS than 3 over the half term, This can be recorded (if appropriate) in our homework books. We will ask for homework books in during the last week of each half term in order for us to share and celebrate this learning.

Read it	Research it	Design and Make it
<p>Read a variety of books and/ or webpages about Roman education.</p> <p>Did all children go to school, and how were Roman schools different to our schools today?</p> <p>Record your findings in your homework book.</p>	<p>Research the three states of matter</p> <p>Solids</p> <p>Liquids</p> <p>Gases</p> <p>Research and write how the particles move in each of these states and draw a picture of the particles for each state.</p>	<p>Design a Roman soldier.</p> <p>You will need to think about their armour and any equipment they might need to protect them. Draw and label this in your book.</p> <p>OR</p> <p>Create your own version of the Roman Colosseum. You can make it from any materials.</p>
Practise it	Write it	E-Learn it
<p>We will be continuing with multiplication and division. Practise the formal method of multiplication and the bus shelter method of division.</p> <p>Write and solve your own multiplication and division word problems using 3 digit numbers.</p>	<p>Write an advertisement or leaflet persuading people to join the Roman Army.</p> <p>Think about how you will encourage them to want to protect their empire, and what skills they will need to join the army.</p>	<p>To help you practise your coding skills, access Turtle Academy at https://turtleacademy.com//lessons.</p> <p>Complete lesson 1-3.</p>
