## Children First Learning Partnership

We are now a member of the Children First Learning Partnership Multi academy Trust!

On Monday we were very excited to participate in the Skype launch assembly where we were able to wave and dance with all the children and staff in the other schools.

We discussed what a Multi Academy Trust (MAT) was, the significance of the colours in the badge and what the mission statement *Inspiring Excellence Together* means for our school and the MAT as a whole. We talked about our family getting bigger! We know we have exciting times ahead of us! We hope you have seen our CFLP postcard and your children are using their new water bottles. If you have any questions please come and ask!
