## Pirate Ship Game

Before you begin, the children should be taught the commands which the activity involves (see below).

Children start by getting on board the ship in front of the adult. The adult then shouts a command and the children have to perform the activity associated with that command.

Command	Action

<b>Climb the Rigging</b>	Children pretend to climb a rope ladder.
<b>Captain's Coming</b>	Children salute and shout out "Aye Aye Captain"
<b>Walk the Plank</b>	Children have to walk in a perfect straight line one foot exactly in front of the other with arms outstretched to the sides
<b>Man over board</b>	children pretend to fall over the side of the ship and swim for their lives!
<b>Bombs Coming Over</b>	Adult makes action of boom moving across deck. Children must curl up in a ball and duck down to avoid.
<b>Captain's Wife</b>	Everyone curtsies (boys think this is hilarious!).
<b>Submarines</b>	Children lie on floor with one leg raised like a periscope
<b>Shark Attack</b>	Crouch with bent arm forming fin of shark
<b>Rats on board</b>	Children sit on the floor, hugging their knees, whilst feet are raised off floor.
<b>Pieces of Eight</b>	Run around and pretend to catch a parrot.
	Flap arms and shout "pieces of eight".
<b>Stormy Weather</b>	Rock from side to side.
<b>Peg Leg Jim</b>	The children all have to walk with one leg straight and the other normally.
