

The table below explains the tasks and you will find the resources underneath.

YOU DO NOT PRINT PAGES use your homework OR doodle book for writing, drawing and recording activities detailed below.

Year group: Reception		Date: Monday 11th May 2020		
		Challenge 1	Challenge 2	Challenge 3
English 	I hope you enjoyed the Peter Pan story yesterday. Think about your favourite part of the story and create some puppets to tell the story. I have attached some pictures below to help you to think what they look like. You could always draw your favourite part of the story. I like it when the children are flying through the air with the dark blue sky and bright moon.			
			If you draw a nice picture write something about it to describe what is happening.	
Maths	Challenge 1 Yesterday you thought about sequencing events. Have a look at the Peter Pan number ordering to 10. He has some numbers missing. Can you fill in the gaps? Remember to use your Tentown login to help you when forming your numbers correctly.	Challenge 2 Yesterday you thought about sequencing events. Have a look at the Peter Pan number ordering to 20. He has some numbers missing. Can you fill in the gaps? Remember to use your Tentown login to help you when forming your numbers correctly.	Challenge 3 Look at the sheet below. Can you order each set of numbers from the smallest number to the biggest number.	
	Phonics/ Reading Can you make a paper chain of tricky words. Look below at challenge 1 tricky words and practise writing the words correctly on strips of paper then join them together to make a chain.	Can you make a paper chain of tricky words. Look below at challenge 2 tricky words and practise writing the words correctly on strips of paper then join them together to make a chain.	Can you make a paper chain of tricky words. Look below at challenge 3 tricky words and practise writing the words correctly on strips of paper then join them together to make a chain.	
	Expressive Arts & Design In Peter Pan it talks about his shadow. Have a look at the ideas below for creating shadows indoor and outdoor. Draw around shadows, colour them in, make shadow puppets, take pictures of different shadows, use objects to create shadows

Order the numbers from the smallest to the biggest.

smallest					biggest
----------	--	--	--	--	---------

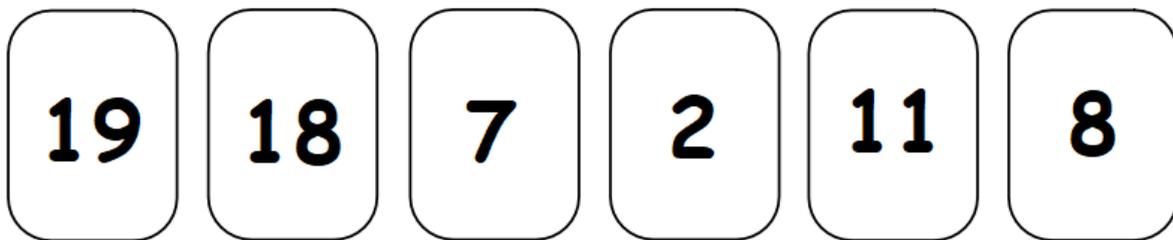

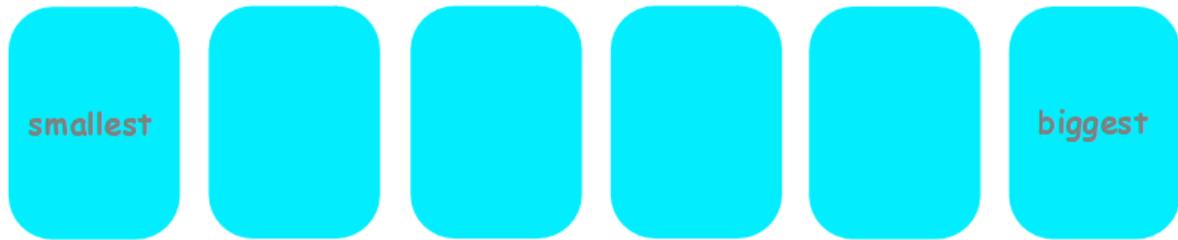

15	2	19	5	8	12
----	---	----	---	---	----

Order the numbers from the smallest to the biggest.

smallest					biggest
----------	--	--	--	--	---------

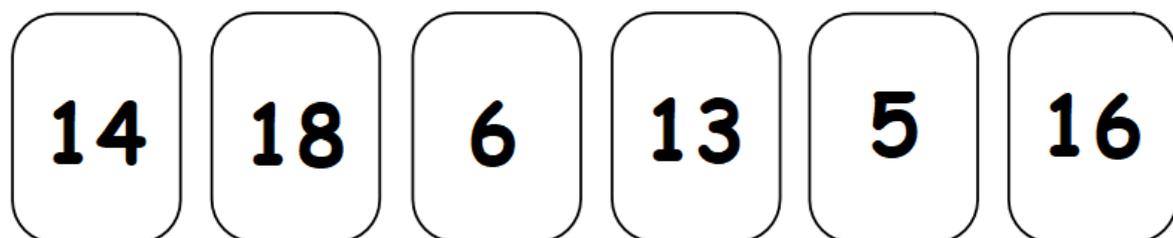

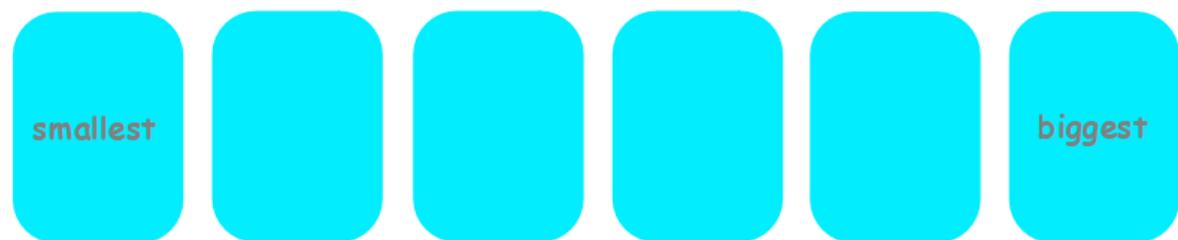

15	3	20	4	5	11
----	---	----	---	---	----

Order the numbers from the smallest to the biggest.

Order the numbers from the smallest to the biggest.

Reveal Answer

Jumbled Up!

Zorg the alien has been ordering numbers. He has tried really hard but has managed to miss some numbers out.

Can you help Zorg to spot where he has gone wrong? Put a circle where he has missed out a number.

1.

1	2	3	5	6	7
---	---	---	---	---	---

2.

11	12	14	15	16	17
----	----	----	----	----	----

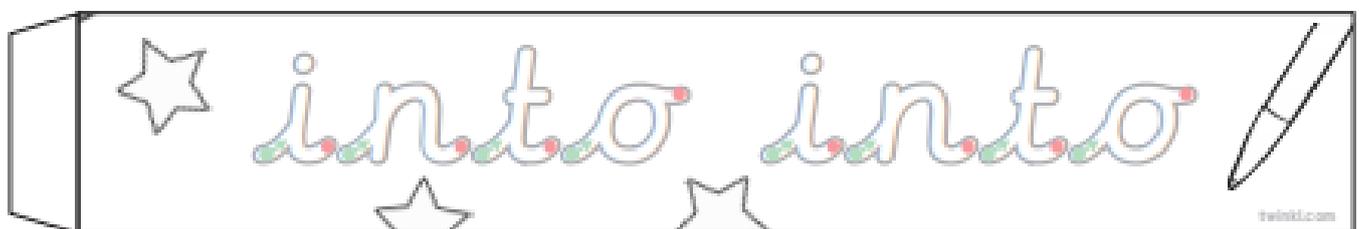

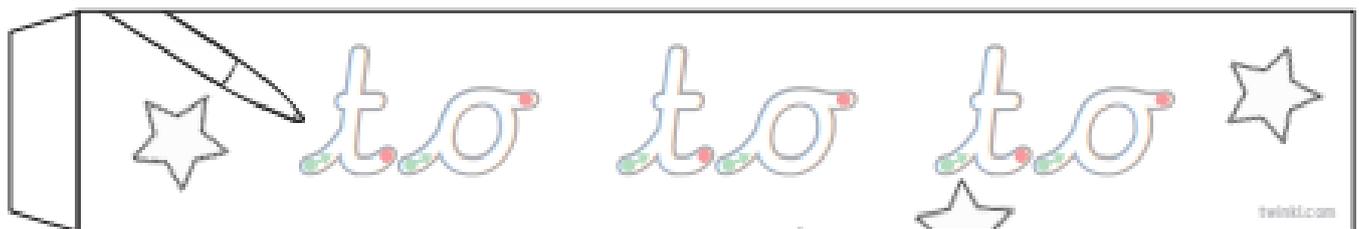

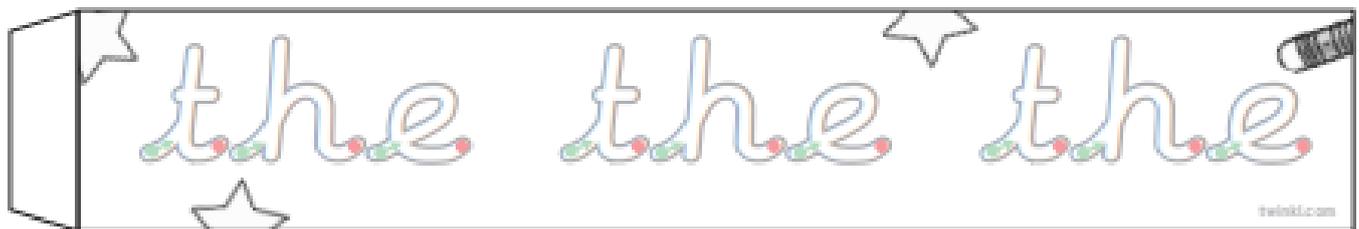

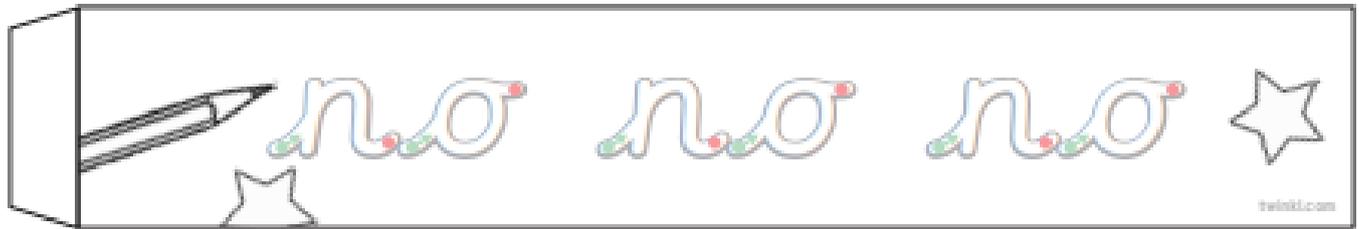

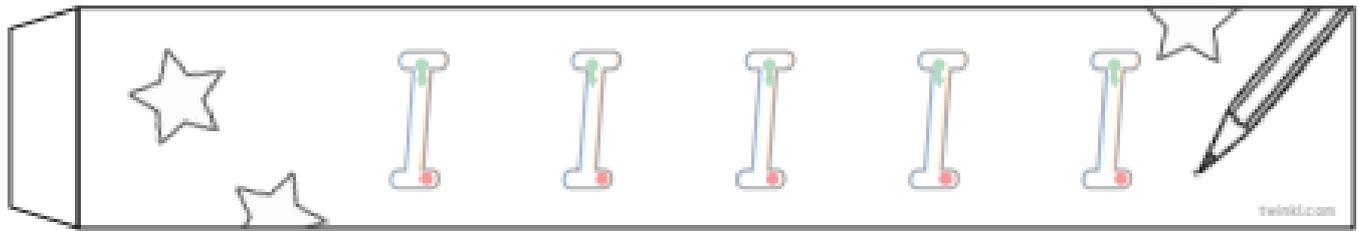

3.

19	18	17	16	15	13
----	----	----	----	----	----

4.

21	20	18	17	16	15
----	----	----	----	----	----

Phonics challenge 3

come come

A horizontal rectangular card with a 3D effect on the left. It features the word 'come' written twice in a cursive font. The second 'come' is underlined with a red wavy line. There are several star icons scattered around the text. A pencil is drawn at the top right corner. The website 'twinkl.com' is printed in the bottom right corner.

there there

A horizontal rectangular card with a 3D effect on the left. It features the word 'there' written twice in a cursive font. The second 'there' is underlined with a red wavy line. There are several star icons scattered around the text. A pencil is drawn at the top left corner. The website 'twinkl.com' is printed in the bottom right corner.

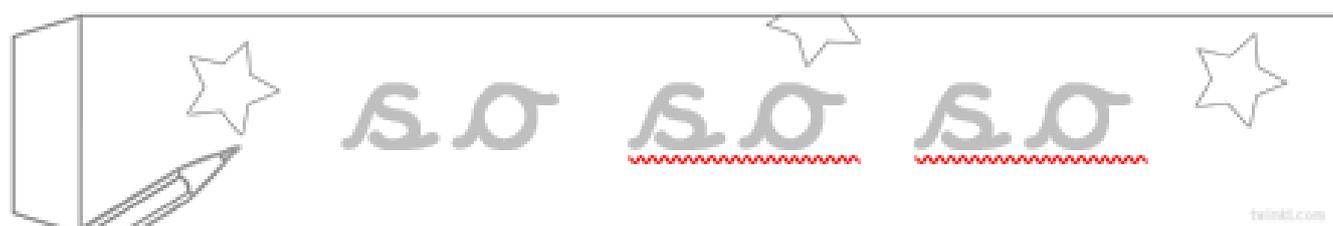

little little

A horizontal rectangular card with a 3D effect on the left. It features the word 'little' written twice in a cursive font. The second 'little' is underlined with a red wavy line. There are several star icons scattered around the text. A pencil is drawn at the top right corner. The website 'twinkl.com' is printed in the bottom right corner.

have have

A horizontal rectangular card with a 3D effect on the left. It features the word 'have' written twice in a cursive font. The second 'have' is underlined with a red wavy line. There are several star icons scattered around the text. A pencil is drawn at the top left corner. The website 'twinkl.com' is printed in the bottom right corner.

so so so

A horizontal rectangular card with a 3D effect on the left. It features the word 'so' written three times in a cursive font. The second and third 'so' are underlined with a red wavy line. There are several star icons scattered around the text. A pencil is drawn at the bottom left corner. The website 'twinkl.com' is printed in the bottom right corner.

like like

A horizontal rectangular card with a 3D effect on the left. It features the word 'like' written twice in a cursive font. The second 'like' is underlined with a red wavy line. There are several star icons scattered around the text. A pencil is drawn at the top right corner. The website 'twinkl.com' is printed in the bottom right corner.

Can you create shadows? What do you need to make your shadows clear.? If the sun isn't out outside how could you make shadows inside?

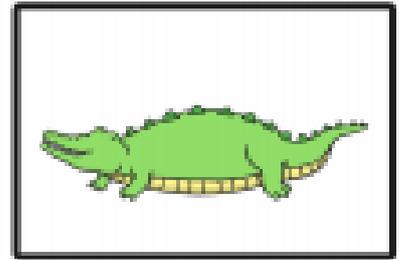

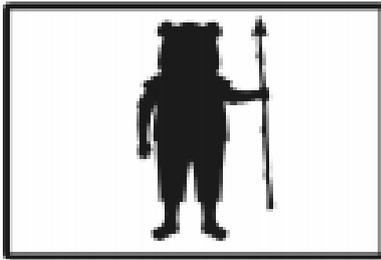

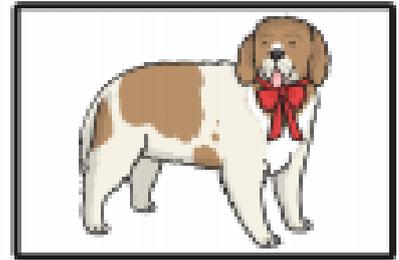

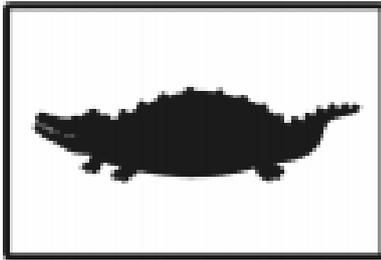

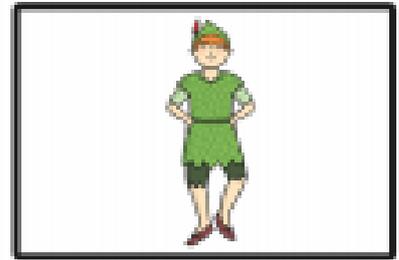

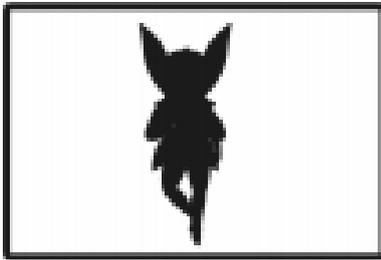

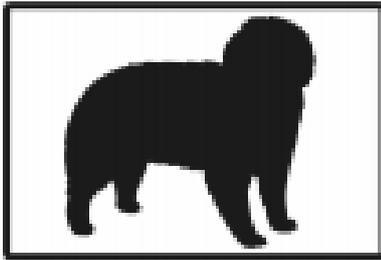

You could create some Peter Pan shadow stick puppets.

Date _____

Name _____

Matching shadows with pictures

Draw lines to match the shadows with the correct picture on the right.

Challenge 3—A tricky challenge to find some key words (written in capital letters)
