

Kingsfield Induction Process

It is important to us that you and your child feel happy, comfortable and safe when you join our school family whether it be for Nursery or Reception.

With this in mind we have developed a robust Induction Programme for our new Nursery & Reception children. It is designed to ensure that both our children and our parents are very familiar and comfortable with both the school and the staff before your child even begins school in September. This means that when your child officially joins our school family at the beginning of September, they are able to settle quickly and feel happy in their new school environment.

Details of our Induction Programme

During the Summer Term, prior to starting school the following September, there are several parts of Induction that take place. These are detailed below:

- Parents are invited to attend an 'Induction Meeting' at school to meet the EYFS leader and the teaching staff.
- Foundation Stage staff visit pre-school settings to meet the children and their Key Workers.
- Children and parents are invited to 'Stay and Play' times in school.
- Children attend an 'Induction session' on their own towards the end of the academic year.
- Our induction policy is flexible and therefore we can adapt our policy if needed to meet the needs of the children and families.

In September, the children have a swift introduction to school. All children start in Reception full time. If needed this can be adapted to suit individual needs. It is important to say that if you have any questions, queries or concerns at any point you are most welcome to contact school.
