### Covid Updates

Now we have safely returned to school, we all have many questions and are constantly seeking advice. Please see the back pages for further information, also visit the website for other Covid related documentation.

Following the return to school, after a prolonged break, it is common for colds and similar viral infections to circulate. In many cases children will be well enough to attend school and continue their learning. In order to ensure children do not miss out on their education it is important to be clear about how COVID 19 symptoms differ from those of other infections.

#### The main Covid-19 symptoms to be aware of are:-

- **A new continuous cough**
- **Fever or high temperature**
- **A loss of or change in the sense of smell or taste**

If a child develops any of these symptoms they should isolate and book a test. Whilst waiting for test results all members of the household should isolate.

If however your symptoms are more cold like such as a runny nose, they do not need a test and can, if well enough, attend school.

#### Other Covid Reminders:-

- Masks MUST be worn if entering the school office entrance. If this can be avoided this would be preferable. Contact can be made by telephoning 01782 973800 or emailing [admin@kingsfield.staffs.sch.uk](mailto:admin@kingsfield.staffs.sch.uk)
- We are handwashing and sanitising hands throughout the day. If children bring their own hand sanitiser, this must not be shared with other children.
- Only 1 parent is permitted to enter the play ground for dropping off and picking up duties.
- Do not allow your child to play on our outdoor equipment as this has been sanitised for bubble usage.
