This week has been another busy week and the children have produced some lovely creative, empathetic writing and art work based around remembrance. The 2 minutes silence was also very respectfully recognised.

The teachers have also been very busy learning how to use Microsoft Teams and now all homework throughout the school is being set using this method. This is because, in the event of a class (bubble) being sent home due to a positive Covid result, this will be the main method in which we will teach and set our remote learning task. Obviously, we hope that this will not be required, but we would prefer to be prepared.

Please try and bear with us, as whilst this is new for you as parents, it is for us too. We are learning together and promise to hold hands virtually through the process. More support and top tips will be coming your way soon.

Please be reminded, in the event of your or child testing positive it is crucial that you contact the school immediately.

If this is out of school hours, please email covid@Kingsfield.staffs.sch.uk

Thank you for your co-operation.

ANTI BULLYING WEEK

Next week is anti-bullying week and to start the week off, we would like the children to wear odd socks on Monday as a way of celebrating differences. Our assemblies will focussed on this theme and our classroom super-friends will be developing their roles.

We would like to say a HUGE thank you to everyone for supporting Children in Need today, pupils have had lots of fun and enjoyed spending the day in their pyjamas!

We have raised a total of £225 so far! You can still donate via our Just Giving page - <https://www.justgiving.com/fundraising/kingsfield-first>

Admissions - September 2021

The application process for a Reception and a Middle School place for September 2021 is now open and will close on the 15th January 2021.

The easiest way to apply is online on the Staffordshire County Council website.
