Covid Update

Dear Parents/Carers,

This week has brought it's challenges with a Y3/4 bubble having to isolate. Whilst we were doing our best to avoid this, we are chuffed to bits with how it has all gone.

I would like to thank all the parents for supporting the remote learning along with the staff who have worked really hard to, firstly make the remote lessons work and then ensured that learning continues and enjoyed. Parents have fully embraced this and whilst we do not want this to become the norm, we hope that it has been manageable.

Some points to perhaps to take forward are that we ask children and parents to be mindful that there is only one teacher communicating to a full class along with their parents, so please be patient when awaiting a response and be considerate when and how often you are sending messages. It is also worth adding that if you have not already set up your child's email/Teams I really urge you to do so, as in the event of a bubble needing to move to remote lessons, it is one less thing to sort out.

We are taking all precautions to keep your children safe and well at school, but if your child is ill, it is absolutely imperative that you phone and tell us why, then their symptoms can be discussed and we can advise.

Finally, if your children does test positive for Covid, you must contact the school immediately on 973800, or if out of school hours email covid@kingsfield.staffs.sch.uk

Thank you again, in your full co-operation, in your arrival times, mask wearing and social distancing.

Tempest Photography

Apologies for the delay on a small amount of orders for the recent school photos. This was due to a delay from Tempest and was out of schools control.

All Tempest Photography orders have now arrived in school and have been handed out.

If there are any problems please contact the school office.
