Dear Parents,

We are very happy to have welcomed back our Wise Owls class bubble following their isolation period, we now have a full compliment of all classes - long should this continue. Pleased be reassured that we are working very hard to keep Covid safe in many ways, one simple and very effective method is to keep classrooms well ventilated. Please feel free to add additional layers for your child to avoid them feeling the cold.

This week our Health & Safety governor completed a premises walk to check that our systems are safe and effective and the feedback from this was very positive. Thank you in your support in keeping us safe especially by wearing face masks, keeping to the staggered start and pick up times and maintaining social distancing on the play ground.

Next week we enter the festive month of December and we have lots of Covid safe Christmas surprises planned for both the children and parents! We do understand that parents and children are missing out this year on the usual events, so we will do our very best to make up for this. Planned Christmas dates for your diary are:-

**Christmas Jumper day - Monday 14th December    Party Day - Thursday 17th December**

With the increase in the COVID 19 cases in the local area, we are asking for your support to discourage the use of children's own hand sanitiser.

The school has purchased battery operated dispensers for each classroom and main thorough fares for the children to use. School sanitisers are accompanied with official health & safety advice in case accidents happen such as contact with eyes or mouths.

We have noticed an increase of children coming to school with their own sanitisers which although look good do not adhere to our risk assessment.

Please could we ask you to encourage your children to use the school sanitisers to help keep each other as safe as possible in this challenging time.

Many thanks
