Children's Mental Health Week

This week has been Children's Mental Health Awareness week. We have been doing lots of activities to raise awareness and support this.

You can find further resources on the school website. Including useful posters to support your child's mental health and rewards charts to support motivation with school work.

Operation Encompass

Kingsfield is now part of a project called Operation Encompass, that runs jointly between schools and Staffordshire Police.

The project involves the reporting to schools, prior to the start of the next school day, when a child or young person has experienced any domestic abuse. This will enable us to act promptly and offer the best support possible.

Safer Internet Day 2021

On Tuesday 9th February it is Safer Internet Day!

Social Media/App Safety

During this Lockdown period, there has never been a more important time to ensure all children remain safe on the

Internet and do not become a target for on-line bullying or worse. I am aware that children have devices and are at risk of using social media platforms that are not suitable for their age. I do appreciate that monitoring usage is difficult and as a way of support thought this advice on age appropriate platforms would be useful. Next week on 9th February we will be gaining raising on-line safety awareness as part of Internet Awareness
