### Parent Governor Vacancies

Our Local Advisory Board are looking to recruit two volunteers to lead in the governance of Kingsfield First School.

This is a voluntary role which requires attending meetings and we are keen to appoint persons with health & safety or safeguarding experience.

If you are interested in this position please email Mrs Butler at headteacher@kingsfield.staffs.sch.uk

Rachel de Souza is the Children's Commissioner for England and it is her job is to speak up for children in England, stand up for their rights, and make sure that the people in power listen to what children need and want.

She believes it is time to give something big back to young people after Covid and **needs your help** to do it.

She aims to organise the largest ever survey of children and young people in England, so it is time for you to tell the government what you think, and what children need to live happier lives. This survey will only take you **5-10 minutes** and will be part of this next weeks homework. The link for the survey will be sent via Teams next week. Let's all play our part in allowing children to have a voice.
