Healthy Sports Week

This week at Kingsfield we have celebrated Healthy Sports week! Children across all year groups have taken part in some fun activities such as Football, team games, Olympic sports, Japanese style activities, dance and food tasting. It has been such a SPORTS-tastic week! Well done everyone, you have been such good sports!

All of the children enjoyed taking part in this years Sports Day! Unfortunately this year we were unable to have spectators attend but we hope you enjoyed our Twitter coverage from the days events. This years winners were Earth with a whopping 198 points! Followed closely by Saturn in 2nd place with 178 points, Jupiter in 3rd place with 159 points and Mars in 4th place with 144.

To finish off the fun filled week, all pupils and some staff took part in Race For Life! So far we have raised a total of £1972.50 which is absolutely amazing, we cant thank all of the parents, family members and friends enough for their kind donations. Any donations can be made via our fundraising page which will close on Friday 2nd July.

Covid Testing

We have had a positive case this week in school. If your child is symptomatic, please isolate and get tested.

In addition to the usual symptoms, Covid symptoms could include upset stomach, sore throat, runny nose, sneezing, aches and pains and feeling tired for no good reason.

A point to note is that the lateral flow tests are not licensed for children under 11 and so ordering or booking a PCR test is the way forward to keep safe.

The out-of-hours Covid email is covid@kingsfield.staffs.sch.uk
