Annual Reports

You will have all received your child's annual report this week, (Wise Owls will receive theirs on their return to school). We hope you find this information useful.

Survey Results

Recently 113 parents/carers along with all staff, children and governors completed a survey providing feedback on the schools performance.

Highlights of the survey include that almost 100% of parents state that their child/ren are happy, that behaviour is good and lines of communication are strong. Forest schools session are also particularly enjoyed by all and parents also like their child wearing sports kit clothes on the PE day. The findings of the survey were very supportive with comments made such as :

"The teachers are excellent, very caring and recognise the children's abilities" and "My son loves coming to this school, we have felt welcomed and feel part of the school"

School aspects which we are taking forward for review are homework, creative learning opportunities and increased opportunities for parent engagement. Thanks to all for provided feedback for this survey.

KS2 Treat Day

On Thursday 15th of July KS2 are very excited to announce that we will be doing a treat day.

Due to the children being in mixed classes, having to stick with their bubbles and with Year 4 missing out on Standon Bowers this year we thought Year 3 and 4 both deserved it.

On this day, KS2 children can come in their own clothes with forest school clothes to get changed into, in a plastic bag and will need to bring their own packed lunch. We will doing a range of fun activities; including forest school, archery and a class picnic on the field (weather permitting).

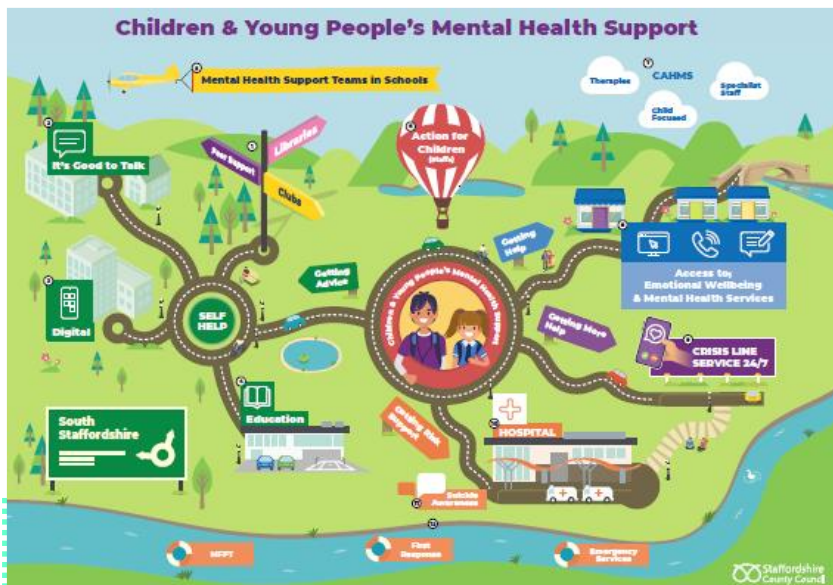

We hope you are as excited as we are.

Kool Kids

The decision on the possible reopening of Kool Kids will be made on Monday. We will inform you via text and email.

Bikeability

Year 3 pupils please be reminded that any Bikeability consent forms need to be returned to the class teacher or school office by Thursday 6th July.
