

BANK OF PHONIC GAMES

These can be applied any sound, word or tricky words

Here is a bank of different games you can choose to play to get really confident and fluent with all the new sounds and words you have been learning! Make sure you use sounds and words (containing the sounds i.e. ship, sleep)

The reading of the words is really important but if your child wants to write some of these words then that is great.
Even better!

Game Ideas...

Sorting bowls

Have 5/6 bowls and label them up ee/ea/or/ar/oo/oo, Adult to choose at least 2 words from each column above and write them down. Child sorts and places in correct bowl.

Treasure hunt

Choosing at least 2 words from each column, write them on pieces of paper and adult hides. Child to find and read each word.

Splat

Use the words above (adult to write them out) use a window, wall or floor and children use a wooden spoon, fly swat or hand to 'splat' the words you say. Adult to say.. can you find the word ...

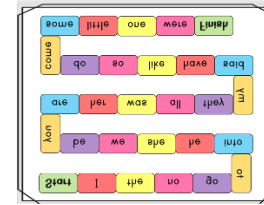

Wash away

Using chalk outside, write down a selection of words. Say a word for your child to find, read and then wash away using a paint brush and water or water spray/watering can

Board game

Make up your own board game using a selection of words!

Stepping stones

Make large words from the selection above on paper. Child has to jump to each 'stepping stone' and say the word

Beat the time

Choose a selection of words - read them all as quickly as you can (has to be correct though) and time yourself. Do it again can you beat the time?

Lego words

Adult to use whiteboard pen and write down a selection of words on some big lego bricks or other construction you might have, make a tower or build something including these bricks. Say the word as you use them to build.

Car park words

Draw a car park with at least 12 spaces. In each space write a different word. Use your toy car to 'park' in the space your adult is telling you.
