Covid Measures

If Covid cases rise our control measures as listed in our risk assessment as '**EFFECTIVE CONTROLS**' will be triggered, this includes working back in bubbles. As numbers drop these controls will be removed.

Please check texts, emails and read all letters to ensure you are fully up to date with school expectations and changes to our daily routines that we have to make as we respond to the possibility of numbers of cases in our school increasing.

Our COVID Risk Assessment is available on our school website here: <http://kingsfield.staffs.sch.uk/covid-19-info/>

Cases in Staffordshire are very high and we are awaiting further direction regarding other measures we may have to put in to place to manage this situation safely. Please bear with us.

Morrison's— It's Good To Grow

We are collecting Morrison's 'It's Good To Grow' vouchers and we would be very grateful if you could choose Kingsfield on the 'My Morrison's' app.

We already have 100 tokens and our target is 1000.

We will receive pots, gardening tools, seeds and more! Thank you from Miss Day and the Eco-Warriors.

School Photos

Children's school photo's were taken this week. The proofs and order forms will be posted to school next week and then sent home with children.

If your child missed out on their school photo there will be opportunities to have theirs done next term.

Macmillian

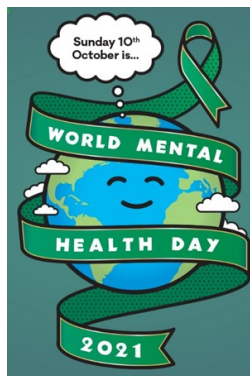

We would like to say a massive thank you again to our pupils, parents, carers and family members for helping us to raise a grand total of **£357.24** for Macmillan!

World Mental Health Day

On Sunday 10th October it is World Mental Health Day and we recognise how important this is. Keeping a healthy body and mind is part of our curriculum and we will be raising the profile of this with some additional mindfulness activities.

For this we would like everyone to come dressed in their PE kit on Monday 11th October.

Lunch Menu

Unfortunately due to shortages there will be no tuna jacket potatoes or tuna sandwiches available to children next week.

On Thursday we will be following a themed menu for census day. You can find a copy of the menu on the back page of this newsletter.

School Council

This week the year 4 children have applied to be our new head boy and head girl. The school council met on Thursday and shortlisted the candidates to 5 boys and 5 girls who will then be interviewed by the school council team in 2 weeks time.

Well done to all the children who applied, your applications were amazing and we are very proud of you all.

A special well done to the 10 shortlisted candidates: **Grace Noakes, Hallie Hopwood, Harriet Stainthorp, Evie Ansell, Holly Robinson, Jayden Mycock, Corey Porter, Teddy Oakes, Jacob Stanway and Fletcher Harvey.**

We look forward to the interviews.

Building Work Update

Following the successful school bid for school improvement, the preparation for the work to begin starts next week with two deliveries of large cabins.

These arrive on Wednesday and Thursday morning hopefully before the start of the school day and therefore causing limited disruption.

The re-wiring of the school electrics and fire safety improvements then begins on Monday 11th October and will continue over the full academic year. One team will work over the school day and another team during the night, so please don't be alarmed if you notice lights left on overnight.

Year 3 - Forest School

Next Thursday the Year 3 Parent Engagement Forest Schools session will be taking place.

Please see the letter sent home today for further details.
