

## Maths

### Addition and Subtraction

- We will continue to add and subtract.
- We will learn how to use tens frames and part whole models.
- We will solve simple problems.

### Place value

- We will partition numbers to 50.
- We will count in 2s, 5s and 10s.

## English

- We will find out about glossaries and alphabetical order.
- We will know features of non fiction texts.
- We will read stories about dinosaurs.
- We will write character descriptions and descriptions of settings.
- We will act out different roles.
- We will listen to and write poetry.
- We will use our phonic knowledge to blend unfamiliar words.

## History/Geography

- We will learn old', 'new' and 'a long time ago'.
- We will learn that a story that is read to me may have happened a long time ago.
- We will learn to explain how I have changed since I was born.
- We will learn to answer questions using an artefact or photograph.

## PHSRE/ RE

- We will learn to be a part of different groups, and the role we play in these groups e.g. class, teams, faith groups.
- We will learn that we have different rights and responsibilities in school and the wider community.
- We will learn that people are all equal, and ways in which I am the same and different to others in my community

## Art/Design

- We will create art in the style Cheryl Lussky.
- We can draw from imagination, observation and memory to design things, record observations, tell stories and express thought and feelings to others.
- We can find out how to make collage pictures for particular purposes by cutting, tearing and sticking varied papers and objects to a background.

## Music

- We will use our voices.
- We will follow instructions.
- We will listen to and talk about music.
- We will think about pulse, rhythm and pitch.
- We will begin to improvise and compose.

## Year: 1

### Term: Spring 1

### Topic: Jurassic Park

### Special Events:

### Forest School

## PE
