Faith In Focus Week

This week has been 'Faith In Focus' week at school and children have had lots of fun learning about different faiths and religions.

Year 3 and 4 had a visit from Waheeda Qureshi who shared her knowledge of Islam. Year 2 explored Judaism and Year 1 learnt about Buddhism. The children also enjoyed making and tasting different foods from around the world.

Building/Electrical Works - Kool Kids Relocation

The electrical work in the Key Stage 2 building is due to be completed next week and work will move onto the next phase in Key Stage 1 building.

As a result of this Kool Kids will be relocating to the school hall as of Wednesday 16th February for the time being.

However **on Monday's after school club**, Kool Kids will be operating out of the Year 3 classrooms where the collection point will be from the front of school—continue along the path, passed the main office entrance to the lower door. This is to allow the after school dance club to continue in the hall. Moving the club is only a temporary arrangement until completion of the electrical refurbishment in the Key Stage 1 Kool Kids room.

All electrical work continues through the school holiday to ensure the work is completed as quickly as possible. Many thanks for your understanding and co-operation.

Year 1 Phonics Workshop

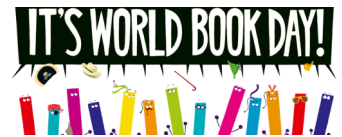

The Y1 Phonics workshop presentation and information is now available on the school website.
