About Us

Built in 1908, Kingsfield First School is at the heart of the Biddulph community, located in the town centre. Deceptive by looks, we are quite a large school with a two-form entry and a vibrant Nursery. Fortunately, Kingsfield has a wealth of resources in addition to the spacious classrooms. With the school motto of **Learn Together...Play Together...Succeed Together**, the essence of partnership grows from the school community and beyond through our strong partnership with the other schools in The Children First Learning Partnership.

Our Philosophy

Children at Kingsfield begin their learning journey by developing skills of self worth, confidence, respect, tolerance and independence and are encouraged to become self reliant, responsible, highly motivated and well disciplined learners, all skills required to become young adults in modern Britain. Kingsfield is a happy and caring school where we aim to ensure that every child is valued and can realise their potential within a safe and purposeful atmosphere.

What we offer!

- Highly skilled Early Years Staff
- Reading is at the heart of our curriculum
- Swimming lessons from year one
- Forest school sessions for all of our children, including nursery
- School trips and regular enrichment activities
- A variety of recreational clubs on offer
- Before and after school club available
- Parent information sessions and workshops
- Pupils across the school take an active role in leadership responsibility, for example, school council, eco warriors etc.
- Regular links and events with the local community

We are a good school... ofsted September 2023

Kingsfield First School is a happy school with a family feel. Both parents and pupils talk very highly of the school. Pupils enter for the day with a smile on their faces. Staff get to know every pupil and take into account their individual needs. As a result of this, pupils enjoy school and achieve well.

Children in the early years learn to follow routines, listen carefully and behave well. This continues as pupils move through the school. Relationships between staff and pupils are very positive.

This is an inclusive school where pupils' well-being is a high priority. Staff take the time to find out pupils' likes and dislikes and pupils appreciate this. Pupils enjoy making a positive contribution to school life. There are many opportunities for them to do so. Pupils can become eco-warriors, sports champions or safety stars.
