

## Art Unit Pathway

### 3. I do...

Retrieve vocabulary taught from the previous year and secure. Teach new vocab and technique components.

### 2. Exploring / Engaging...

Focus on work of key artists, crafts persons, designers & engineers to evaluate their work.

### 4. We do...

Practise taught components developing fluency through constant retrieval and repetition of key vocabulary.

### 5. You do...

Create a composite piece applying components taught.

### 1. Retrieval...

Look back at previous learning via sketchbooks to explore previous experience and make links to now.

### 6. Evaluate...

Reflect on outcomes and new knowledge.

### 7. Finally...

Show of your art work!
