Our spotlight this week...

Our School Rules... The 3B's-Be Safe, Be Ready, Be Respectful!

Follow the 3B's

We want our learners to be safe and feel safe; safe as they move around school, safe inside and outside the school building which includes being safe on school trips and staying safe online. We want our children to know who they can turn to for advice when they are worried or concerned, within school and outside of school. We aim to build a school community of people who protect not only our own safety but a community who take the time and care to look out for one another.

We want our learners to be respectful; to treat others fairly, to develop mutual respect alongside tolerance, patience and understanding, to listen when others speak, to respect others' opinions, to use and show good manners and to respect class resources and the school environment.

Ultimately, we aim to all work together to promote and develop strong, healthy relationships in school and within the local community.

Hall 3B's

- Sit on your seats properly
- Put away equipment/cutlery

- Line up sensibly and wait patiently
- In P.E find a safe space

- Use our manners and be polite
- Use indoor voices
- In P.E look after our equipment

Outside 3B's

- Take turns on the equipment
- Walk sensibly to your line
- Be aware of others around you

- Listen out and respond to the bells
- Bring and wear appropriate clothing

- Listen to each other
- Look after one another
- Put your rubbish in the bin

We want our learners to be ready; ready to work and learn to their full potential by always doing their very best, ready to listen, ready to help, ready to act for a friend or neighbour in need, ready to lead, ready to give and forgive, ready to have fun and enjoy time in school.

Colour on the traffic light	Explanation
Ozzy & Elvis 	The Headteacher award is used to recognise extra special moments-learning/ effort/ engagement beyond <u>Gold</u> recognition. This is supported by a Headteacher sticker, a dip in the Headteacher prize box and a photograph with Ozzy and Elvis.
Gold Superstar 	To recognise any wow moments – learning/effort/engagement of children in the classroom, supported by a dip in the class box and 5 more house points/ 15 house points if a child is moved straight to gold!
Silver Wow 	To recognise effort/achievement in a child's learning or attitude to learning, supported with a sticker and a further 5 house points/ 10 house points if a child is moved straight to silver!
Bronze Great 	To praise a child for good contributions/ engagement/ behaviour in the classroom, supported by 5 house points.
Green Good 	All children to start here each morning. Reflect on children's attitudes to learning and the school rules.
Yellow Stop and think 	A reminder will be given to the child to make a better choice and adapt their behaviour to suit the learning environment. Ensure all reasonable adjustments have been made so that they can access learning. Staff to draw attention to the model of behaviour they do want in the classroom (Positive discipline).
Orange Warning 	The choice is taken away from the child as they cannot make the correct choices, the child will be asked to reflect on their behaviour outside the classroom. The CT will support the reflection using the restorative conversations and scripted responses. These discussions will take place in private, outside the classroom. The child will be allowed another chance to adapt their behaviour and follow the school rules.
Red Out 	Child will complete a reflection sheet and discuss the incident with a member of SLT. These conversations will use the scripted responses. Parents will be informed and the incident will be logged on ARBOR.

Each classroom has a behaviour traffic light display that we use to promote good behaviour and reward children accordingly. This ensures we have a consistent approach to behaviour across our school. We will be driving the 3Bs regularly and consistently throughout the school day and one child per class, per week will be recognised as our 3B Superstar during our whole school celebration assembly.
