Kingsfield's

NEWSLETTER

A message from Mrs Hodson...

We would like to extend a huge thank you to all of the Terrific Tigers parents and carers who joined us for their recent class assembly. It was a wonderful celebration of the children's learning and progress so far this year, and the pupils were incredibly proud to share their achievements. Your support and attendance really do mean a great deal to both the children and staff.

We would also like to thank the parents and carers of the Wise Owls who attended the Clarice Cliff parent engagement event. It was lovely to see so many families engaging with the children's learning and creative work, and we appreciate you taking the time to be part of this valuable experience.

Finally, we would like to politely remind parents and carers that children should not play on the trim trail or exercise equipment before and after school. Our risk assessments require this equipment to be used only when supervised by a member of staff. We also kindly ask that children dismount their bikes and scooters when on the playground to help keep everyone safe during busy times. Thank you for your continued support in helping us maintain a safe environment for all.
Have a great long weekend- from Mrs Hodson, Ozzy, Elvis and Team Kingsfield x

Attendance Matters...

Good attendance and punctuality play a vital role in helping children feel settled, confident and ready to learn. Every day in school counts, and arriving on time allows children to start the day calmly, join classroom routines and make the most of valuable learning time.

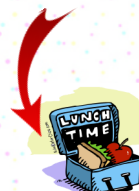

Wherever possible, we kindly ask parents and carers to arrange medical and dental appointments outside of the school day. When appointments during school time are unavoidable, please notify the office in advance. We also politely remind families that collecting children early from the office can be very disruptive to learning and should be avoided unless absolutely necessary.

Thank you for supporting us by ensuring children arrive on time, attend regularly and remain in school for the full day. Your cooperation helps us provide the best possible learning experience for all pupils.
